Description
Flag to indicate death record has been cancelled
Clinical commissioning group code for GP practice of registration
Clinical commissioning group code of usual residence of deceased
Coroners area (Inquest)
Coroner designation (Inquest)
Date of Inquest text
County district code of usual residence of deceased
County code of usual residence of deceased
Age at death
Marital status
Occupation type code
Retired indicator for deceased or mother
Sex
Year and Month of Date of birth
Postcode Sector of Usual Address Postcode
Postcode Sector of Validated Postcode
DMIC Derived Data Filename
DMIC Derived Data Operator
Postcode Sector of Postcode of place of death
DMIC Derived Postcode Geography Key based on Deceased address
DMIC Derived Postcode Geography Key based on Place of death address
DMIC Derived Data Vaild Date From
DMIC Derived Data Valid Date To
DMIC Derived Data Is Latest indicator
Nature of injury code chapter where the underlying cause of death (ICD10U) is an external cause
ICD10 Original Underlying code Chapter
Standard Occupation Classification Group Description of deceased or mother of deceased juvenile
Standard Occupation Classification Group Description of husband or father of deceased juvenile
Field Description
Description
Government Office Region code of usual residence of deceased
Code of GP with which patient was registered
Lower super output area of residence
Indicates whether COD is neonatal (0 or 1)
NHS Number of deceased
National Statistics Socio-econonmic Classification operational category for deceased or mother of deceased juve
National Statistics Socio-econonmic Classification operational category for husband or father of deceased juveni
PCT of residence
Clinical commissioning group code for place of death of deceased
Primary Care Organisation code for place of death
Upper tier Local Authority code for place of death
Place of death code
Establishment type where death occurred
NHS Establishment indicator
Record type indicator
Date of Registration

Date of death
Reg district
Entry number
Register number
Reg sub-district
Re-registration indicator
